

U.S.B.C. San Fernando Valley Division  
presents a  
Brown Bag Lunch Presentation

# **The Loan Modification Management Program**

Wednesday, January 11, 2017  
San Fernando Valley Division  
First Floor Training Room  
21041 Burbank Boulevard  
Woodland Hills, CA 91367

RSVP to: [SFVevents\\_rsvp@cacb.uscourts.gov](mailto:SFVevents_rsvp@cacb.uscourts.gov)

Please bring your lunch and join us for a presentation and discussion regarding the Court's new Loan Modification Management Program (LMM). In the San Fernando Valley Division, cases assigned to Judge Barash are eligible for participation in this pilot program.

The LMM program is designed to help debtors apply for loan modifications through an easy-to-use online portal, provide a respite from relief from stay motions while the request is pending, and give the Court real-time visibility into the status of each pending modification request.

At the program, Judge Barash will present an overview of the program, related court procedures, and the necessary program forms. This program will not address the technical aspects of using the LMM online portal. See the court's public announcements regarding webinars addressing those issues.
